

The **business purpose** of Renewed Hope Fellowship is to serve as a nonprofit organization dedicated to:

1. **Religious Education:** Providing resources and programs to teach Christian principles, biblical studies, and spiritual growth to individuals and communities.
2. **Discipleship Programs:** Offering mentorship and structured guidance to help people deepen their faith and develop as followers of Christ.
3. **Community Outreach:** Engaging in activities that support and uplift the community, such as counseling, life skills training, and other initiatives to address spiritual, emotional, and practical needs.
4. **Charitable Work:** Providing aid and support to those in need, whether through financial assistance, food, clothing, or other means that align with Christian values of compassion and service.

By focusing on these areas, Renewed Hope Fellowship aims to bring renewal and hope to individuals and communities while staying rooted in its Christian mission.
